CONTRACT & WAIVER:

This statement is to assure the Director of the R.S.V.P. Summer Camp and other concerned parties that my parents and I, _____ (print student's name), understand that my participation in this program requires polite and professional behavior at all times, punctuality, and appropriate attire. We further declare that we hold the University of Texas at Brownsville, the staff of the R.S.V.P. Summer Camp, and the Texas Workforce Commission blameless for any accident or injury that may befall me, _____ (print student's name), during the camp.

Student's printed name: _____ Signature: _____

Parent's printed name: _____ Signature: _____

To complete this application, the student must also submit:

- A recommendation form (see attached) from a science, math, or technology teacher
- A short (one page maximum) typed or printed essay to explain why you want to participate in this program
- A copy of your school grade records for this school year (2011 – 2012)

Mail or deliver all parts of your application . . .

- Student Personal Information and Waiver Statement (signed by student and parent)
- Documentation to prove age and citizenship
- Teacher Recommendation Form (must be a science, math, or technology teacher)
- Student Essay
- School grade report for this school year 2011 – 2012

. . . **BEFORE MAY 15** to:

Mary Jane Shands, Co-Director
RSVP Summer Engineering Camp
80 Fort Brown, Cortez 214
Brownsville, TX 78521

**All applicants will be notified of acceptance or declined application by mail and email
May 22, 2012.**

Teacher Evaluation/Recommendation

To the teacher: Thank you very much for your time in completing this document. Your comments will help camp directors decide which students are most deserving of a place in our program. If you prefer, you may seal this form inside an envelope and sign across the seal before returning it to the student.

Print your name: _____

Subject in which you taught this student: _____

Please mark your responses in the appropriate spaces on the chart below:

Topics	Strongly Disagree	Disagree	Agree	Strongly Agree
Student is honest and exhibits integrity				
Student is diligent, goal oriented				
Student follows directions/orders from instructor				
Student works well with others				
Student works best alone				
Student shows initiative and originality				
Student asks appropriate and thoughtful questions				
Student completes assignments and tasks on time				
Student can independently read and follow directions				
Student appears to like science, math, technology				
Student has expressed a wish to pursue a career in science, math, engineering, or other technology				
I recommend this student for participation in this camp without reservation				

Optional additional comments:

Teacher's signature: _____
