Dear St. Joe Parents & Guardians:

Another school year is fast approaching and we have begun work on our Fall Booster Club Program Book. We are so grateful to the local community for their support and are asking for your help by purchasing an ad to be placed in the Program Book.

Attached, you will find the order form for the 2012-2013 Booster Program Book. The program book will have a Fall and Spring Edition, so your business ad will run in two separate printings for one price. If you select individual student photos for a sport or school activity, the photo will be included in the Fall program. Individual student photos for Winter/Spring sports will be offered in November.

Please contact one of the Booster Club members listed on the attached form with any questions or to have your business ad and check picked up. The Fall sports' head coaches, and moderators for cheerleading, band, sweethearts and pep squad will coordinate with the Booster Club for the collection of order forms and checks from students.

Thank you and remember, "Go Hounds!"

Sincerely,

Melissa Muzquiz  
Athletic Booster Club President
