

Saint Joseph Academy

Building on a Century of Marist Tradition

November 30, 2012

Dear Parents, Faculty, Staff and Students of Saint Joseph Academy,

It is with very mixed emotions that I inform you of two staff members who will be leaving Saint Joseph Academy at the end of this semester. Ms. Julie Ibarra, Library Media Center Paraprofessional for the Middle Division Annex, will be moving to San Antonio to join her cousin in the restaurant business and Mrs. Holly Putegnat, Drama and Speech teacher as well as past Fine Arts Department Chair, will be moving to teach Drama with the Brownsville Independent School District. We wish them well in their new ventures and remind them that they will always be important members of the Saint Joe Family.

These departures have necessitated some movement among current staff members as well as the addition of two new hires. We are happy to welcome Mrs. Monica Davis to our staff. Mrs. Davis will be teaching the 7th & 8th grade Spanish class in the Middle Division and will oversee the Middle Division Annex. We also celebrate the return of Mrs. Chris Gloor to our faculty. Mrs. Gloor will be teaching two sections of Geometry and three sections of Pre-Calculus in the Upper Division.

Current faculty moves or additions will include Mrs. Christine Oyervides teaching Theater Arts, Drama/Speech and Stagecraft. Mr. Christian Putegnat will team-teach the Stagecraft classes with Mrs. Oyervides. Mr. Manuel Garza will add the Upper Division Boys PE class to his schedule and Mr. David Bonnet will add the four sections of 8th grade Religion to his schedule along with joining the Campus Ministry staff with an emphasis on the Middle Division.

Please join me in wishing everyone involved in these moves all the best in their new adventures.

Sincerely,

Mrs. Lori Trott
Principal
